

Dear Parents/Caregivers

This is a friendly reminder regarding the restrictions we have in place regarding COVID-19.

1. If your child is sick, which includes demonstrating flu like symptoms such as a runny nose, cough, temperature etc... we ask that you keep them at home. Should children come to school in this state, we will call and ask that you come and collect them.
2. When collecting children in the afternoon, please do not enter school grounds more than 5 minutes before the end of the day. This reduces risk of contact and also minimises disruption to classes.
3. When on school site to collect children, please ensure you maintain appropriate social distancing.

It is more likely than not that we will confront the virus again at some point, and we need to ensure that as a community we do not become complacent with our hygiene standards... to ensure the well-being of our whole community.

Your support on this matter would be appreciated.

Regards
Mark Brookes
Principal
